Summer Theatre Camp for Kids is an intense two week camp experience in the performing arts. The students will study and work directly under the guidance of instructors with degrees in theatre and education. Campers will attend classes in acting, mime, improvisation, stage movement, oral interpretation, dance and creative dramatics. The session will close with a performance by the student actors at Ibsen Dance Theatre. Campers will:

**Work directly with outstanding professional artists. Receive instruction in an array of performing arts. Experience performance in a theatrical setting and learn and grow in an atmosphere of competence and caring.**
